## Press Release

FOR IMMEDIATE RELEASE

### The Lavender Celebration Tour of Wineries In North Olympic Wine Country

Enjoy the Sequim lavender fields in bloom and enhance your visit as you discover new hidden gems – six award winning artisan wineries on the scenic North Olympic Peninsula. Explore more hidden back roads and lush valleys as you discover some of the finest small family run wineries in Washington State. Since most produce less than 2,000 cases of wine a year, many of the wines are in very limited production and are challenging to find outside of the communities where they are made. Indulge in the pleasure of sharing these rare wines of Washington State with your friends and family.

It is easy to add this self guided wine tour to your Lavender Festival experience. The wineries will all be open from 11-5 from Friday, July 13<sup>th</sup> through Sunday, July 22<sup>nd</sup>. Visit as many or as few as you wish or purchase a special *Lavender Festival Tour of Wineries* ticket and the commemorative wine glass for just \$15.00 at any of the wineries and receive complimentary wine tastings at each winery. Festival participants, with buttons, are just \$12. Visit all six wineries and enter the drawing for a beautiful gift basket of local lavender products.

On Friday and Saturday, July 20 & 21, all the wineries will be open till 7:30 p.m.

Each winery is unique... from location to ambiance of tasting room and style of wines. Winemakers or owners are often on hand to pour and discuss their latest creations with you and many will be offering special pricing on featured wines.
